PRODUCT USAGE GUIDE

PAINTS

Put 1/4" dot of paint on the end of the Paint-It Card and smear it on your Bible page or Paper Pad sheet to create a margin of color.

Place Bible mat under page. Dab paint.

Smear paint.

WASHI TAPE

Attach Paper Pieces, Sticky Notes, Tip-In's, and Paper Pad sheets to your Bible, journal, or devotional. Great for layering, bordering, highlighting, and creating page tabs. **This tape can be lifted off the page** you stick it to without tearing the surface.

PAPER PADS/TIP-IN'S

Enhance these sheets with meaningful messages, sermon notes or thoughts you want to remember. Washi tape these pages in your Bible either over the whole page (paper pad) or the margin (tip-in) with one strip at the top or side after creating your illustrations. If you don't have a journaling Bible or prefer to use a standard Bible, this technique allows you to add creativity to your pages.

STICKY NOTES

Keep sticky notes in your Bible, journal, or devotional and record your sermon notes and thoughts. Stick them directly into your Bible, journal, or devotional or onto a Paper Pad sheet or Tip-In.

## PAPER PIECES/DIECUT PROMPTS

Use the Scripture prompt, on the back of each paper piece, as an idea starter to create inspiration for your journaling. Adhere the pieces with washi tape or tape runner.

## CLEAR CUTS PADS

Remove the protective plastic covering so the transparent film sheet is shiny and colorful.

Use the sheets as a whole or cut the designs out and tape into your Bible with washi tape.

For more great resources to help you live your faith visit [dayspring.com](http://dayspring.com) or your local Christian retailer.

## TABS/CLIPS IN YOUR BIBLE

Mark the perimeter of a Bible page with a tab by washi taping the tab or sticking onto the Bible page.

## ROLLER DATE STAMPS & INK PAD

Roll the stamp settings to the date you want and pick from the 12 options of categories (Sermon, Remember, etc.). Stamp onto ink pad and label your passage.

## CLEAR STAMPS, ACRYLIC BLOCK, & INK PAD

Peel these clear reusable stamps from the acetate sheet, place on the clear acrylic block and stamp the ink pad.

Stamp onto your Bible page, paper pad, devotion book, or journal. Clean the ink residue from stamps before first use and after a few uses with a baby wipe.

## STICKERS

Use alphabet or written word stickers to spell out thoughts, prayers, or book references (as seen below). Use flag stickers to point out favorite verses or mark pages. Use washi stickers to tape paper pad or tip in sheets to your Bible/journal pages. Washi stickers are not repositionable like washi tape.
