

BIBLE JOURNALING WORKSHOP GUIDE

WHAT IS BIBLE JOURNALING?

It's a creative way to explore Scripture and visually devote it to memory.

DO I HAVE TO BE AN ARTIST?

No. Remember, this is all about pursuing God and finding Him in His Word. There's no pressure, no comparison, no worries! We don't have to become brilliant artists to declare His glory. Set aside fear and step out in faith!

WHO CAN I BIBLE JOURNAL WITH?

Maybe the women of your church would enjoy a workshop or your small group wants to try it around your dinner table. Share the fun with anyone in your circle of influence!
